

Dec 17, 2011

Dear Friends and Supporters,

Season's greetings! 2012 is Art for All's 11th year! We could have only travelled this far with your help. These 10 years reminds me of the countless faces and stories that we have encountered since 2001, and look forward to the new ones in our second decade.

2011 was full of wonderful stories: a teenage girl overcoming dyslexia, who thought that group-games were “un-cool”, but could not resist enjoying the puppet making and storytelling; she is 1 of 25 participants of a programme under academic research. In our 4th year of partnership in Henan, there is also an elderly farmer, who first stood by criticizing our mural activity, then turned out to be a most meticulous first time painter when handed a brush to participate!

Art for All is now recognized for quality programming and commitment to underprivileged communities. Though we are remunerated for our specialized service, we continue to seek support for deprived communities. It was your donations that enabled our programmes in Sri Lanka in 2005 and Beijing, Henan and Sichuan between 2008-2011; and your donations that started our service to the local underprivileged women and ethnic minorities.

We invite you to walk-on with **Art for All** in our second decade by sending us your donations. We welcome you to direct it towards the mainland project “Rural Henan Programme”, or local projects such as the “Summer Children Walk-in Art Centre” for poor urban children.

A gift of \$1,000 would support a Community Artist's full day programme in Henan, while \$2,500 would support an Artist-in-Residence for 1 week in the “Summer Children Walk-in Art Centre”. Please take a minute to complete the attached form in this Season of Blessings!

Sincerely,

Evelyna Liang

About Art for All

“Art for All” is a non-profit Community Art Charitable Organization founded back in 2001 which aims at assisting socially underprivileged people - including those who are (publicly) deprived of the opportunities to encounter arts due to different social, economical or physical limitations. “Art for All” continues to facilitate the targeted audience groups to recognize and stimulate their creative potentials, to develop their confidence, and (to) encourage their integration towards the public community.
